

HOW TO GET AND USE AN UNLOCK CODE

Install the program

Download CMA

1. Download the program
2. Save the installation to your computer
3. Run the installation

Get an unlock code

1. Start the program
2. The program will show the screen in Figure 1
3. Click "I want to get an unlock code"
4. Click "Send my unlock code"
5. Close the program

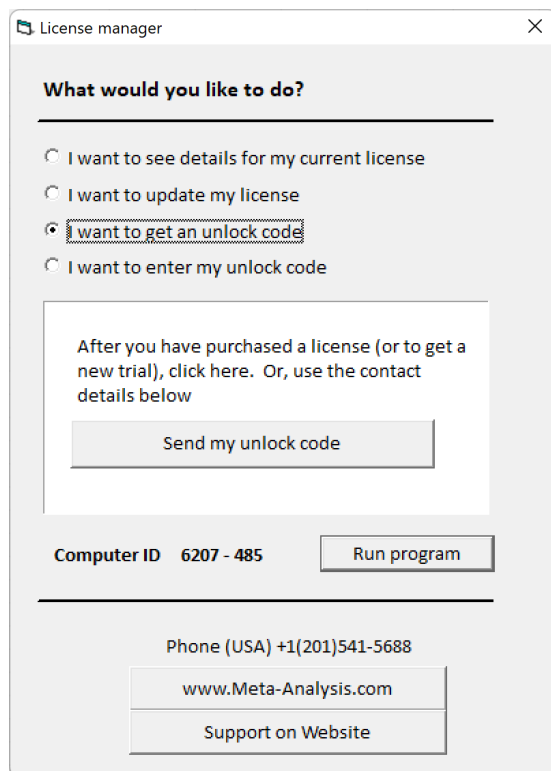

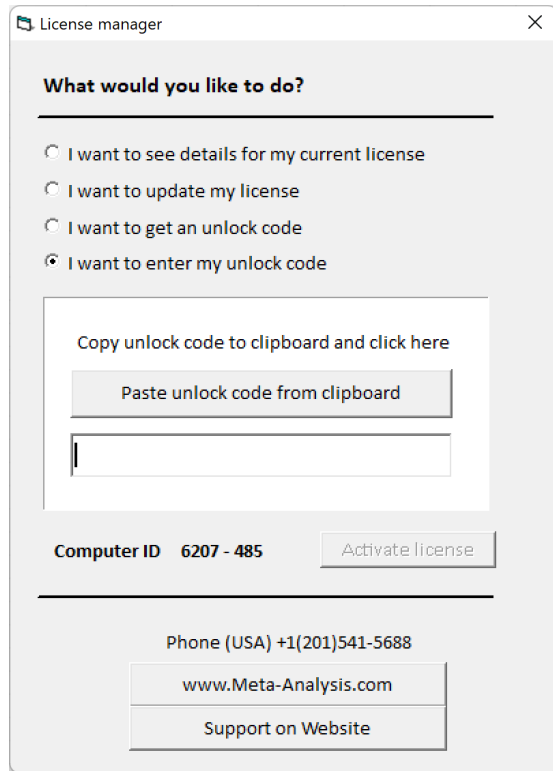

Figure 1 - Obtain an unlock code

Enter your unlock code

1. We will send an unlock code by return e-mail
2. When you get this code, copy it to your Windows clipboard (CTRL-C)
3. Run the program
4. Click "I want to enter my unlock code" (Figure 2)
5. Click "Paste number from clipboard"
6. Click [Activate license]

The screenshot shows a window titled "License manager" with a close button (X) in the top right corner. The main heading is "What would you like to do?". Below this heading are four radio button options:

- I want to see details for my current license
- I want to update my license
- I want to get an unlock code
- I want to enter my unlock code

Below the options is a section with the text "Copy unlock code to clipboard and click here". Inside this section is a button labeled "Paste unlock code from clipboard" and an empty text input field.

At the bottom of the dialog, the "Computer ID" is displayed as "6207 - 485" next to an "Activate license" button. Below this, there is contact information: "Phone (USA) +1(201)541-5688", a button for "www.Meta-Analysis.com", and a button for "Support on Website".

Notes

The procedure above requires access to the internet. If you would prefer to unlock the computer by phone, call us and provide the number shown as "Computer ID"

- Running the installation will install Version 4 of the program.
- If Version 2 is on the same computer, it will not be affected.
- If you have Version 4 on the computer, it will be updated.
- If you have any questions, please send an e-mail or phone +1 (201) 541-5688
